Renewing Material (Mango)

I would like to show you how to renew online the items you have checked out from the FSCJ libraries before their due date.

First log into myFSCJ. Then click on Library and Learning Commons under Useful Links.

Your name should be displayed in the upper left corner.

Click on the Loans/Renewals.

You may choose to renew the items individually, or you can click on Renew All.

The system will not allow you to renew material that has been placed on Hold (that is material requested by another FSCJ library patron).

I am going to click on Renew All and the new due date will be displayed on the right.

If you have any questions regarding this process, please contact one of the FSCJ libraries.
